) Case No. 22-10964 (MG)
)
) (Jointly Administered)
)

**NOTICE OF SCHEDULE OF CUSTODY USERS
ENTITLED TO WITHDRAW CERTAIN ASSETS**

PLEASE TAKE NOTICE that attached hereto as **Exhibit A** is a schedule of certain users entitled to withdraw Distributable Custody Assets (as defined herein) off of the Debtors' platform in accordance with the relief set forth in the Withdrawal Order (as defined herein) (such schedule, the "**Distribution Schedule**"). Additional details regarding these permitted withdrawals are set

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Celsius Network LLC (2148); Celsius KeyFi LLC (4414); Celsius Lending LLC (8417); Celsius Mining LLC (1387); Celsius Network Inc. (1219); Celsius Network Limited (8554); Celsius Networks Lending LLC (3390); Celsius US Holding LLC (7956); GK8 Ltd. (1209); GK8 UK Limited (0893); and GK8 USA LLC (9450). The location of Debtor Celsius Network LLC's principal place of business and the Debtors' service address in these chapter 11 cases is 50 Harrison Street, Suite 209F, Hoboken, New Jersey 07030.

forth below in this *Notice of Schedule of Custody Users Entitled to Withdraw Certain Assets* (this “Notice”).

PLEASE TAKE FURTHER NOTICE that on December 20, 2022, the Court entered the *Order (I) Authorizing the Debtors to Reopen Withdrawals For Certain Customers with Respect to Certain Assets Held in the Custody Program and Withhold Accounts and (II) Granting Related Relief* [Docket No. 1767] (the “Withdrawal Order”)² pursuant to which the Debtors are authorized to permit certain customers to withdraw certain digital assets from the Custody Program and/or associated with Withhold Account obligations that were (A) (1) only ever in the Custody Program (the “Pure Custody Assets”) or (2) transferred in the 90 days before the Petition Date from the Earn Program or the Borrow Program to the Custody Program and, at the time of such transfer(s), the aggregate value of such transfer(s) was less than \$7,575 (valued as of the time of each such transfer) (the “Transferred Custody Assets” together with the Pure Custody Assets, the “Distributable Custody Assets”), as set forth on the Distribution Schedule or (B) transferred by users to Celsius’ platform but were not supported on the platform and remain in the Debtors’ possession (the “Ineligible Withhold Assets” and, together with the Distributable Custody Assets, the “Distributable Assets”), all in accordance with the terms of the Withdrawal Order.

PLEASE TAKE FURTHER NOTICE that the Debtors are in the process of preparing a list and distribution schedule related to the Ineligible Withhold Assets. For the avoidance of doubt, no Ineligible Withhold Assets are included in the Distribution Schedule. The Debtors will subsequently file a distribution schedule related to Ineligible Withhold Assets at the appropriate time.

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Withdrawal Order.

PLEASE TAKE FURTHER NOTICE that the Distribution Schedule specifies (i) each affected user entitled to withdraw Distributable Custody Assets pursuant to the Withdrawal Order (such user an “Eligible User” and all users together, the “Eligible Users”), (ii) each Eligible User’s Distributable Custody Assets by category, and (iii) the amount of the Distributable Custody Assets to be released with respect to customers with digital assets in the Custody Program.³ Pursuant to the Withdrawal Order, the Debtors are authorized to distribute 94% of each Eligible User’s Custody Assets at this time. Such amounts are listed on the Distribution Schedule. Whether and when Eligible Users are entitled to a distribution of the remaining 6% will be determined at a later date by the Court.

PLEASE TAKE FURTHER NOTICE that, as permitted by paragraph 4 of the Withdrawal Order, the amounts set forth on the Distribution Schedule are net of any gas fees or transaction costs (or a fee approximating such costs) (*i.e.*, the applicable gas fees and transactions costs are subtracted from the eligible amount) necessary to effectuate the withdrawal or transfer of digital assets to customers (the “Withdrawal Fees”). The amounts set forth on the Distribution Schedule are based on the assumption that Eligible Users make one withdrawal. Withdrawal Fees will be charged on a “per withdrawal” basis based on the Withdrawal Fees listed below. Based on market fluctuations, the Debtors anticipate that Withdrawal Fees will be adjusted every thirty days, as applicable, which means the amounts set forth on the Distribution Schedule may change. As provided in paragraph 4 of the Withdrawal Order, no digital assets shall be permitted to be

³ For the avoidance of doubt, eligibility to withdraw Distributable Custody Assets, or other assets, pursuant to the Withdrawal Order and this Notice does not override previous account suspension in any way. Eligible Users who are otherwise suspended from their Celsius account for any reason will remain suspended and will continue to be restricted from accessing their Celsius account.

withdrawn unless the account balance of the Eligible User is sufficient to satisfy any Withdrawal Fees. The initial Withdrawal Fees associated with each digital asset are set forth below:⁴

Component	
Fixed Administrative Costs (KYC), Vendor Fee	\$1.00
Variable Network Fee (Updated Monthly)	
BTC	\$1.25
ETH	\$1.40
ERC-20	\$4.20
Alt Coins	\$0.20
Total Withdrawal Fee	
BTC	\$2.25
ETH	\$2.40
ERC-20	\$5.20
Alt Coins	\$1.20

PLEASE TAKE FURTHER NOTICE that certain Eligible Users otherwise eligible to withdraw Distributable Custody Assets pursuant to the Withdrawal Order may have insufficient funds to effectuate a withdrawal after taking into account the Withdrawal Fees listed above. Any such Eligible Users described in this paragraph are bolded and italicized in the Distribution Schedule, and the amounts insufficient to be withdrawn are shown as “-” on the Distribution Schedule, and will not be receiving any Distributable Custody Assets at this time.

PLEASE TAKE FURTHER NOTICE that as soon as reasonably practicable, which the Debtors anticipate to be on or around February 15, 2023, Eligible Users on the Distribution Schedule will receive email and Celsius app communications from the Debtors informing such users of their eligibility to withdraw and the steps each user must take before a withdrawal can be

⁴ For the avoidance of doubt, in the event that any gas fee exceeds the ranges set forth herein, the Debtors shall be permitted to charge the withdrawing party the entire amount of the gas fee.

processed. Prior to any withdrawals being processed, Eligible Users will be asked to update their Celsius account with certain required information to process withdrawals including, specific customer information related to Anti-Money Laundering (AML) and Know Your Customer (KYC) information, and information regarding the destination address of the withdrawal (the “Required Account Updates”). *Unless and until an Eligible User updates his or her account with the Required Account Updates, such Eligible User will be unable to withdraw his or her Distributable Custody Assets from the Debtors’ platform.*

PLEASE TAKE FURTHER NOTICE that any Eligible User that has transferred its Distributable Custody Assets to a third party pursuant to Federal Rule of Bankruptcy Procedure 3001 as evidenced by filing a *Transfer of Claim Other than for Security* (the “Claim Transfer”) on the bankruptcy docket is solely responsible for transferring any Distributable Custody Assets in accordance with the agreement set forth in the Claim Transfer; *provided* that the Debtors have attempted to identify any Eligible User that has executed a Claim Transfer in the Distribution Schedule by including a footnote after the Eligible User’s name that includes relevant information to the Claim Transfer.⁵

PLEASE TAKE FURTHER NOTICE that the Debtors anticipate processing withdrawals as soon as reasonably practicable in accordance with this Notice and the Withdrawal Order; *provided, however*, that given that the Debtors expect to receive a high number of withdrawals and are committed to ensuring accurate and safe withdrawals off of their platform, any such withdrawals may not be processed immediately upon request.

⁵ Footnotes in the Distribution Schedule are current as of January 26, 2023. Claim transfers filed after that date may not be represented.

PLEASE TAKE FURTHER NOTICE that if Eligible Users have questions with respect any messages received related to this Notice and/or the Withdrawal Order, please confirm such messages match the information provided in the Celsius app and/or email CelsiusCreditorQuestions@kirkland.com or app@celsius.network.
